Dear Homeowners

KPMA is pleased to report that over 150 members have already paid their assessment. Many thanks to those homeowners who have stepped up, chosen a plan, and made their payment.

The Board would like to remind each member that assessments are due on or before April 1, 2015. The invoice that you received provides for a choice of payment plans as well as the payment amounts. If, for some reason, you have not received an invoice, please call Kate Hildreth at Newell Property Management, (239) 514-1199 ext 229 or email [newell.ken@outlook.com](mailto:newell.ken@outlook.com).

Thanks, Lew Bryan
