Dear Homeowners

KPMA has been working diligently on your behalf over the last number of months to improve the Access and Patrol at Kensington.

As a result starting June 1, 2015 we have hired Securitas USA to be our new Access and Patrol Company.

Our present software and hardware will be replaced with the most current systems.

The bar code readers and your personal information will remain the same.

We expect the transition period to run smoothly.

The KPMA board is confident all our residents will see a marked improvement in our Access and Patrol.
